#### Minimum Spend

The minimum spends for each of the spaces vary, please contact our functions manager to confirm the applicable minimum spend. The minimum spend must be met in order for the deposit to be refunded (if applicable), or will be put towards payment of catering, drinks package, or bar tab.

#### Confirmation and Payment of Booking

Due to demand, tentative bookings will only be held for a period of 3 days. Once this period is over, the function manager reserves the right to release the function space to another booking. A signed and completed booking form, with valid credit card details, is required to secure a booking.

A 50% deposit of the total amount will be charged to the credit card provided at the time of booking. We also accept other types of payment for this procedure, but these must be arranged prior to confirmation of booking with the functions manager. The remainder of the amount owed will be charged to the credit card provided 14 days prior to the event commencing. If the venue does not receive payment within the outlined timeframe, management reserves the right not to proceed with the function. If a booking is made with less than 14 days notice prior to the event commencing, payment of the entire amount will be required at the time of booking.

If a beverage package has been selected, no refunds will be issued for a decrease in numbers on the night. The final number of guests must be confirmed 7 days prior to the event, or at the time of final payment. A count of guests will be conducted with the event organiser at a mutually convenient time, usually an hour after start time to confirm the number of guests using the beverage package. By agreeing to the Terms + Conditions, you agree to the selected drinks package and its contents. Any non-eligible items will be an additional charge.

If no beverage package is selected the minimum spend amount is applied. Unless organised prior to the function, all tabs used on the night will be charged to the credit card provided on the booking form.

#### Transaction Fee/Gratuity

All prices are inclusive of GST. All card transactions will incur a 1% card surcharge. It is our practice that a 5% gratuity fee is charged for all events. This will be charged at the conclusion of the event. If, for whatever reason, you feel that staff are not entitled to receive this gratuity, please inform the manager on duty, who can provide a resolution.

#### Food Orders

As a guide, we recommend that a minimum of \$10/pp be spent on food for a function.

Final food orders must be received no later than 14 days prior to the event. Any food preferences or allergies must be advised of at this time. Pre-ordered function food, as well as any additional food ordered by the host during the event, will count towards the minimum spend. Please note food ordered by guests at the bistro **cannot** count to the minimum spend. The food menu uses seasonal produce which can affect the availability of some items.

Food orders will be brought to the function space and set upon tables. If you wish to have additional staff members serving food directly to guests please notify us when booking, as this may incur an additional fee.

#### Cancellation of Booking

Cancellations with more than 14 days notice to an event will forfeit the 50% deposit. Cancellations with less than 14 days will forfeit the whole amount. At our discretion we will consider extenuating circumstances. Management reserves the right to cancel an event should the venue be closed due to circumstances beyond its control. Patrons are not automatically entitled to a refund in such circumstances. All possible refunds will be issued at the Hotel's discretion.

#### Event Times

The venue is licensed to be open until 12am Monday - Saturday, and until 10pm on Sunday. Last drinks will be served at 11.45pm Monday -Saturday, and 9.45pm on Sunday.

#### Decorations

While personal decorations are welcome, the venue reserves the right to remove any decorations that are deemed inappropriate or offensive. No glitter or confetti is to be used at any time during an event. Decorations may not be hung from the delicate light fixtures.

#### Guest Entry and Conduct

Guest entry to a function will be permitted only within the designated start and finish times of the event. All normal venue procedures and legal responsibilities including RSA apply to functions guests. The venue reserves the right to refuse entry and/or service to any individual or group on the basis of RSA procedures. Guests are expected to behave in an appropriate and orderly manner. Management has a duty of care to uphold and reserves the right to evict any guests deemed to be intoxicated or disorderly from the venue. Hostile behaviour of any kind will not be tolerated. Failure to comply with management or security directions may result in an event being shut down. If a guest falsifies information, or if a function is booked under false pretences the venue reserves the right to cancel the function without notice at the expense of the host.

#### Indemnity and Damage

The Rose Hotel accepts no responsibility for any loss of or damage to personal property belonging to guests before, during or after a function, or for any injury sustained to guests during the course of a function. The event host will be financially responsible for any damage, theft, breakage or vandalism to the function space and/or hotel. The Rose Hotel uses candles and fireplaces for decorative purposes. The venue does not accept responsibility for any injuries sustained from candles or the fireplace during the course of an event. If a guest tampering with the candles or fireplace results in damage to the venue or the fire department being called out, the guest and event host will be held financially responsible.
